## The Greater Shepparton Region

## Destination

through its diversity of attractions. The natural geography of the region plays into those who enjoy cycling, be it on the shared pathway links or throughout the area, Greater Shepparton has it all!

The playgrounds in the area are well known and are sure to excite and provide fun for all ages and capabilities. They also allow parents to relax and unwind. If golf is your game, be sure to tee off on one of our local courses or even mini golf - the challenge awaits you.

Greater Shepparton has so much to offer, it is impossible to experience it all in one day. Accommodation is plentiful in Greater Shepparton and caters to everyone from solo travellers, holidaying families and groups on tour to the corporate client.

Whether you prefer an out of town property, a lavish establishment with five star suites in the CBD or a cosy cabin, accommodation in Greater Shepparton is very obliging to individual needs, desires and budgets. Whatever type of accommodation you choose to stay in, you can be assured that your stay in Greater Shepparton will be a

### So Much to Offer!

The region is known as the "Food bowl of Australia" and this is reflected in the produce available throughout the region. Delectable food from home made cheeses, marinated olives, chocolate coated apples, boutique wine and farm fresh produce is available throughout the region. Visit the farm gate or experience one of the local markets, Greater Shepparton can cater to your taste buds.

Art is prevalent in the region along with the MooovingArt Cows, the region is home to an award winning Art Gallery boasting one of the top three ceramics collections in the country. If you would prefer to participate, be sure to get your art supplies whilst in the region to make your own masterpiece. History is also scattered throughout with Greater Shepparton having an important social, agricultural, indigenous and economic history. You can explore the region's past through the historical Tatura museum, visit the sites of some of Australia's most prevalent gold discoveries or explore the prisoner of war and intermment camps.
